The Secret Garden

Indulge in the delights of our delicious food and stunning views of the cathedral from the sanctuary of our Secret Garden.

The secret garden marquee flooded with natural daylight and views out onto the Garden, Our marquee is located within the Cathedral's grounds, surrounded by breath-taking views and perfect for an evening BBQ, family event or corporate function.

This lovely, versatile space can be fully opened up to bring the outside in on a sunny day or a warm summer evening

The Courtyard

Our Courtyard is an oasis for an alfresco summer event.

Sheltered behind an ancient flint wall opposite the Cathedral, our terrace courtyard with Cathedral views and pretty walled garden make this a unique and versatile summer space.

The courtyard also includes hire of The Paul Woodhouse which is well suited to working closely with colleagues or clients, offering an inspiring space to help fuel new ideas and creative thinking.
